

**Speed Queen**

**COMMERCIAL HOMESTYLE**  
HEAVY DUTY TOPLOAD WASHER

LWS45

**Speed Queen**

OUR STRENGTH COMES FROM WITHIN

# COMMERCIAL HOMESTYLE Topload WASHER SPECIFICATIONS

## COMMERCIAL QUALITY

*Built tough to stay that way. For over 30 years, Speed Queen has served the coin-operated laundry industry and continues to lead in customer satisfaction. Speed Queen homestyle washers feature many of the same rugged, reliable parts found in the coin-operated machines, so they're built to last.*

## Commercial Quality Features

- Pull to start multi-cycle timer knob
- Two-speed 1/2 HP motor
- Eight cycles; four temperatures
- Adjustable water level control
- 3.3 cu. ft. capacity stainless steel tub
- Wavy vane agitator with fabric softener dispenser
- 120/60/1-15 amp circuit
- Bleach dispenser

## Automatic Balancing Suspension System

Rear self-leveling legs maximizes smooth and quiet operation on all floor types. High speed extracts of 710 rpm maximizes moisture removal for fast drying.

## Multi-Cycle and Temperature Controls

Speed Queen offers you user-friendly free-wheeling timer knob for start and cycle selections with energy saver designation.

## PolyTuff® Agitator

High vanes and extra large long 210° agitation stroke delivers superior washability for all load sizes.

## Extra Large Stainless Steel Tub

Our durable stainless steel washtub becomes smoother with each use so clothes are less likely to snag.

## Attractive Control Panel

Commercial homestyle topload washers have attractive styling to match electric or gas dryers.
